Salad Creations offers fresh take on dining out

DALLAS, Texas- NAI Austin has leased 1,550 square feet of retail space in Knox Park Village to Salad Creations, a healthy, new concept in quick service restaurants. The new eatery will be the second location opened by the Salad Creations company in Dallas. The tenant was represented by Travis Waldrop of NAI Austin.

The location at 3001 Knox St., Suite 180, will result in rapid brand awareness of a new restaurant model. Salad Creations' patrons can create their own custom salads complete with "throw-in" toppings and a large variety of homemade dressings. Also on the menu is an assortment of sandwich wraps and soups made fresh daily.

This alternative to conventional fast food restaurants gives customers the ability to get a fresh, high-quality meal quickly. More locations are expected throughout Dallas and the rest of Texas.
